

***AYSO SECTION 14  
WELCOMES VIP PLAYERS AND BUDDIES TO THE  
2012 VIP STATE GAMES!***

***VIP (Very Important Player)*** are players whose physical and mental disabilities make it difficult for them to successfully participate on mainstream teams. VIP teams can include those who are blind or visually impaired, have impaired mobility, are mentally or emotionally challenged, autistic, have Down Syndrome or Cerebral Palsy. VIP allows our population with disabilities to have the benefit of sports participation in a supportive and fun environment!

***BUDDIES:*** The players who need assistance are escorted on the fields by Buddies. Buddies help guide the players on the field during the soccer session. We need your help to make this event a huge success! This volunteer time can also serve as community service hours. All volunteers in the program increase their understanding of individuals with special needs and their lives are all greatly enriched.
